REPLY TO RESTRICTION REQUIREMENT

Sir:

Applicants submit this paper in response to an Office Action (Paper No. 6), dated September 21, 2001, in the above-identified application in which the Examiner divided pending Claims 38-52 into six groups. Applicants were instructed to elect a group for prosecution.

No fee is believed to be associated with the filing of this Reply. However, to avoid abandonment, if any fee related to the timely entry of this Reply is due, the Commissioner is hereby authorized to charge such fee to Deposit Account No. 50-0268.

REMARKS

In the Office Action, the Examiner divided the claims for prosecution into the following six restriction groups:

Group I: Claim 38, as drawn to a humanized rabbit cholestry ester transfer protein (CETP) comprising the amino acid sequence of SEQ ID NO:5.

Group II: Claim 39, as drawn to a humanized rabbit cholestry ester transfer protein (CETP) comprising the amino acid sequence of SEQ ID NO:6.

Group III: Claims 40-48, 51, and 52, as drawn to a method of modulating the level of endogenous active CETP in a mammal comprising administering to the mammal a whole, non-endogenous CETP from xenogeneic CETP.
